ALMA MATER

*Mountains there in fortress strength
Guard the campus we hold most high.
Through the years, in our joy and tears,
We are proud we can sing this cry.*

*In our hearts will ever, ever be,
Black and red a precious memory.
Alma Mater, this our praise we raise to thee,
All hail, Gladstone High!*

*REFLECTION is a summing up;
Awards, Ribbons, a Loving cup.
All that the student mind conceives,
What he anticipates, believes!*

*REFLECTION is a looking-glass!
Mirrored herein a handsome Class.
GLADSTONE SCHOOL is our creditor.
We are indeed, to HER, a debtor.*

*GLADIATOR, you learned
to wield
The weight of thine
immortal shield.
Proud, on thy head
rests Helmet bright.
Skilled was thy Sword,
fight after fight.*

*ECHOES Have a single duty-
To RETELL in all its beauty,
The truth REFLECTED in this yearbook,
REMEMBERING all the work it took.*

*All that reflective memory stores,
The creativity we adore,
All that to Gladstone School relates,
In these pages find mutual fates.*

*When the time comes
for REFLECTION
All is laid out for
inspection.
All our philosophers
have sought,
Science discovered,
genius wrought.*

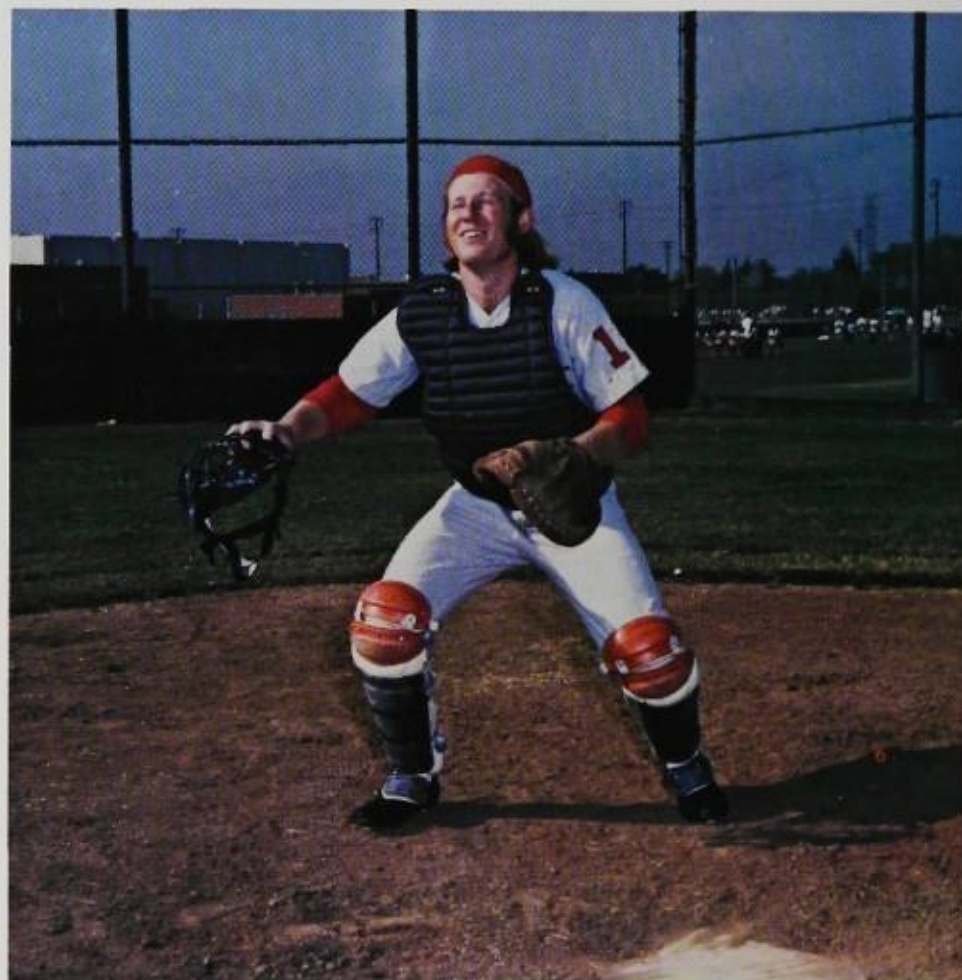

*Looking deep in
Introspection,
Seeking for our lost
Affection.
When the quiet mind
Remembers
We glean warmth from
life's banked embers.*

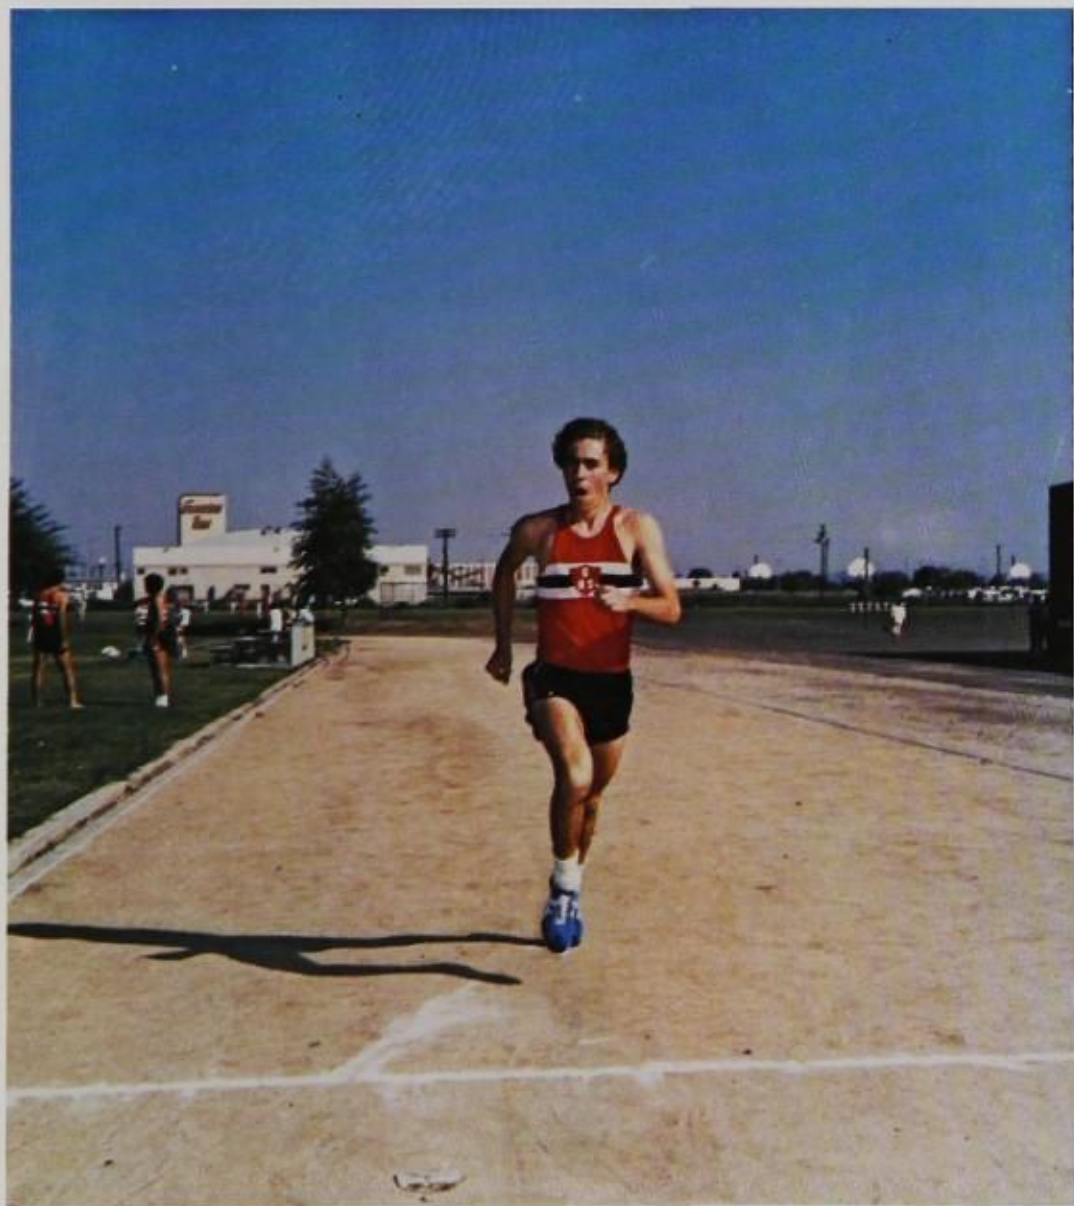

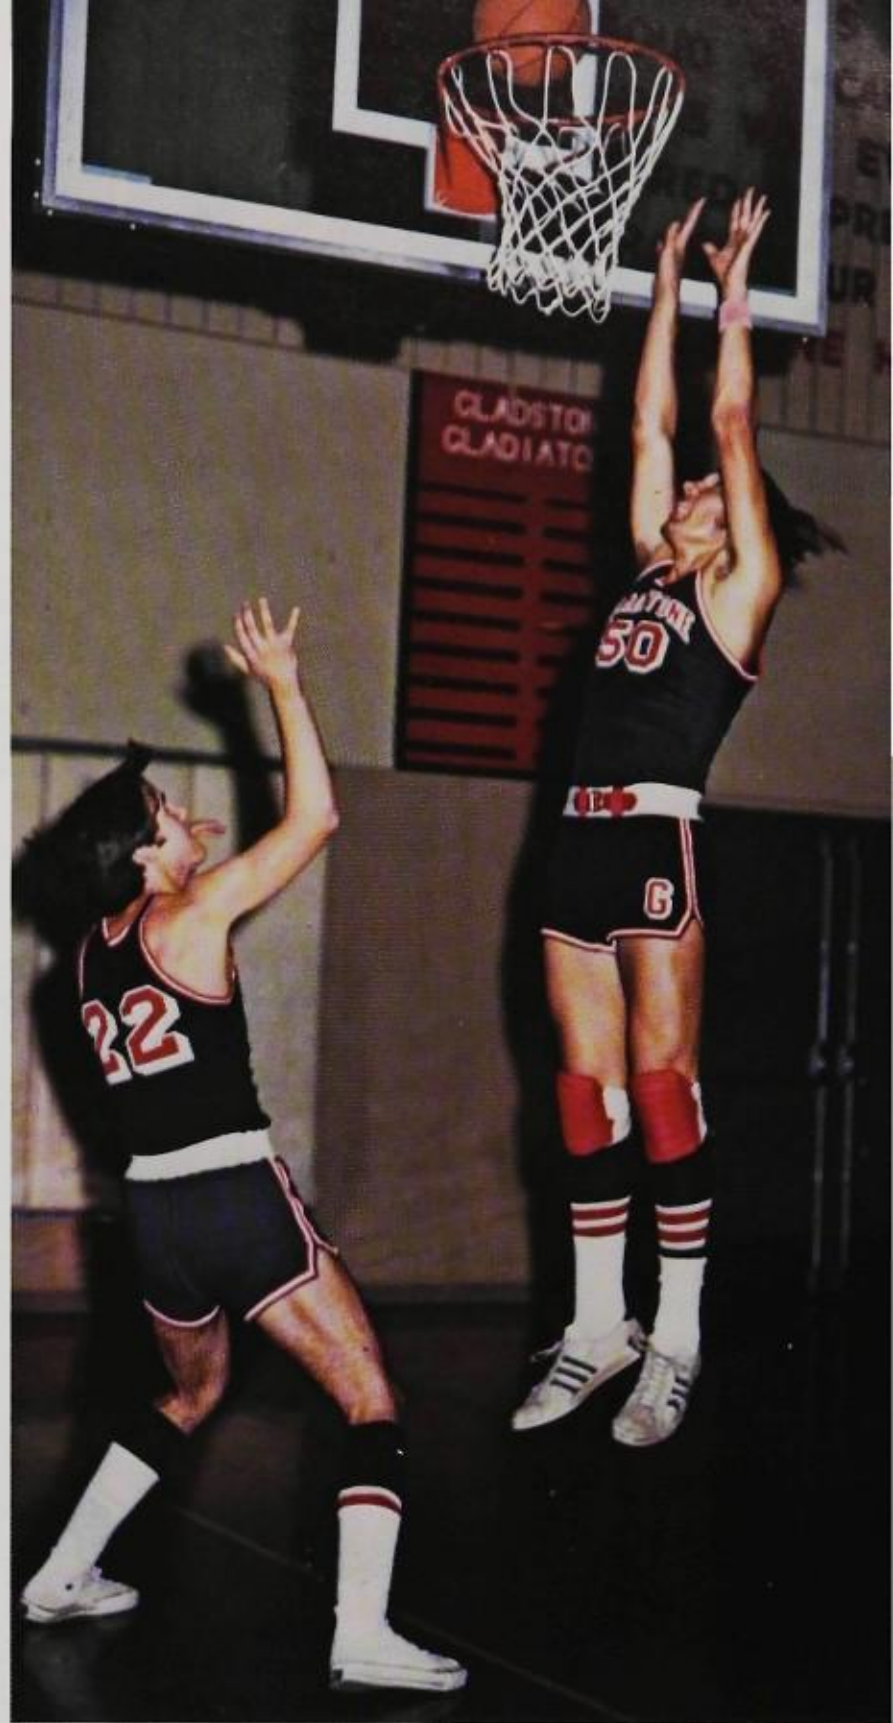

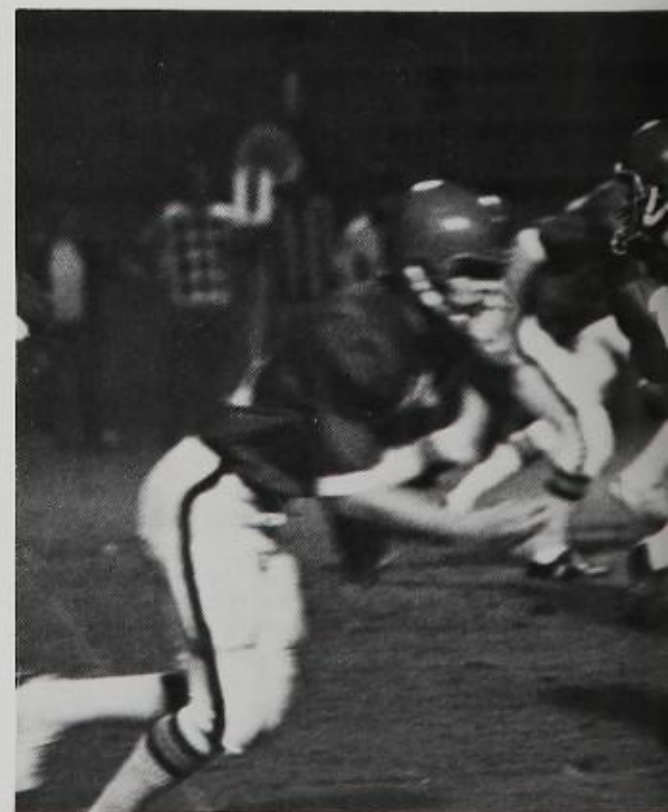

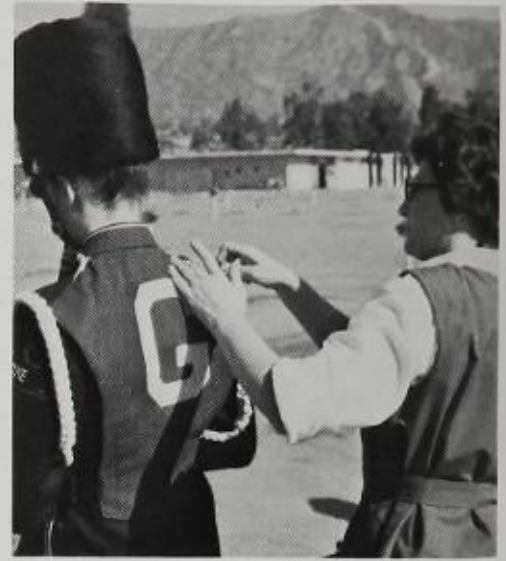

*REFLECTION is not reverie
When ideas float aimlessly.
It's not listless musing at all;
Not a dream, but the Past On Recall!*

*Where's thy recorded
History?
Whether thy loss or
Victory?
We think 'twas graven
in thy shield.
The yearbook must these
secrets yield.*

*Capture the faces;
send them back
Over the years,
if we lose track.
Each soul a candle,
thus a light.
Inspire us to be
lamps at night.*

VARSITY CHEERLEADERS 72-73

The Varsity Cheerleaders went to camp and brought home four superior ribbons and a spirit stick. They were one of the best squads that attended. With their hard work and extra hours the teams were successful. At the end of last year these girls were chosen by judges, but they learned that this position is not won but earned.

SONGLEADERS 72-73

This year's songleaders attended Loyola University Camp for Songleaders. They brought home four ribbons and many memories. In addition to helping the Varsity Cheerleaders by making signs and cupcakes, they worked many extra hours on routines to get ready for games, rallies and other activities.

AWARD WINNING

The Gladiator Drill Team is composed of girls who are willing to work long hours to perfect their routines. The success of their work is evident in the many trophies they have won.

This year they have placed in every parade they have entered and we are very proud of their achievements.

During the summer the four leaders went to camp at the University of California at Santa Barbara. These girls brought home five superior and two excellent ribbons for their outstanding work.

The Drill Team is considered part of the band and performs with the band at parades and half-time shows.

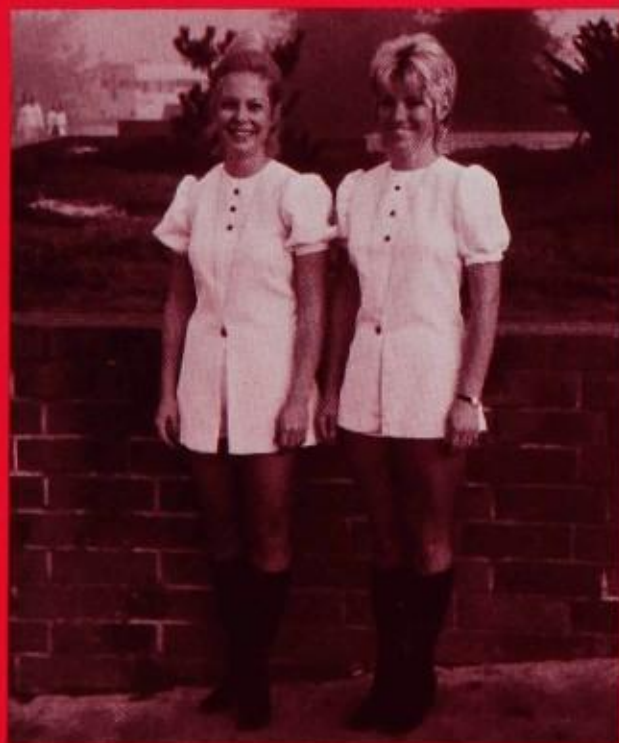

This has been the Drill Teams finest year.

Talented souls come to music as swimmers come to water; stripping themselves of all encumbrances, laying aside all hindrances, they commit themselves to the eternal stream. Music lovers listen from the banks or wade along the shore. But the true Musicians seem to homogenize with the stream itself. What is one, without the other?

BOYS' AND GIRLS' GLEE

MUSIC

Schools labor their students to teach
Fundamentals of human speech.
MUSIC, the language of the soul,
Adds a dimension to the whole.

Rich silvered stream of music flow,
'Tis all of Heaven some will know.
Reflect the Talents God hath sent
With Harmony magnificent.

Music's depth unfathomed by ears;
Mysterious balm drying tears.
Strange expression of emotion,
Bless the silence of devotion.

Stream of sweet sounds, tides of tones,
Soothe to the marrow of our bones.
Exalt our joy, allay our grief,
To all our trouble bring relief.

DRAMA

Kerri Walker, Fred Whitton, Sherrie Whittey, Holly Farrell, Debbie Niederkorn (Ass't Director), Ramona Woodley, Eleanor Shatto.

VARSITY

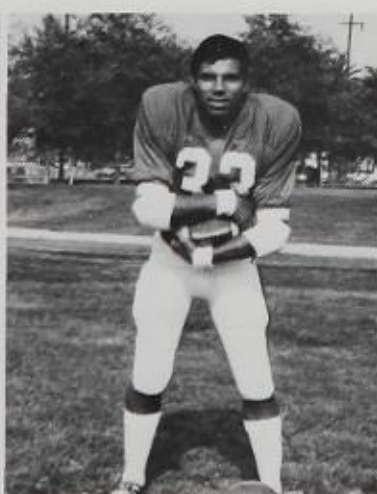

The Varsity football team did an outstanding job this year. Although the "GLADSTONE GRIDDER" were considered the underdog of the Hacienda League the determination to win and the strong team spirit carried them to a 4 and 5 season mark. This gave the team a record tie for third place for the season.

VARSITY

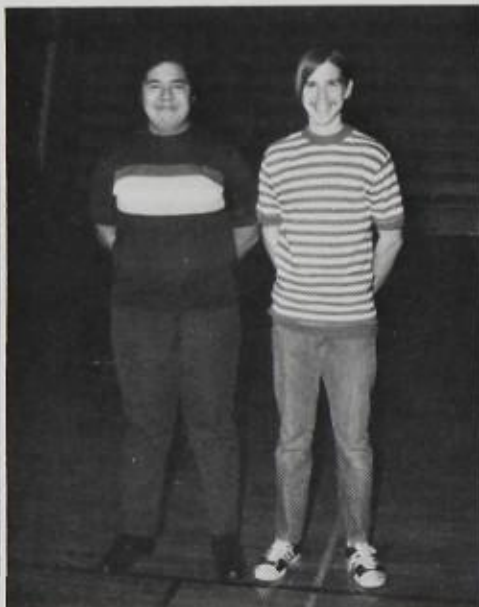

For the second straight year our varsity basketball team is headed for the 2A CIF Playoffs. Rated No. 5 in the 2A classification, the Gladiators boast a record of 15 wins and 5 losses.

First year head coach Dennis Wheeler has molded his roundballers into a well balanced, high scoring and defensive minded club. The Gladiators are led by the high scoring of Casey Ruud and Dave Casteneda while Jack Clark and Chuck Lyons control the bulk of the rebounding.

BASKETBALL

The small but aggressive Gladiators brought home an impressive 57-55 victory over cross town rival Azusa during the Holiday Season Tournaments. This marked the first time in several years that the "Glads" were able to conquer the Aztecs. As this is written, the varsity has a tight hold on first place in the Hacienda League with a record of 7 and 0. Higher ratings and victories in the CIF playoffs are still to come. Congratulations Varsity Basketball!

The margin of victory in all Gladiator wins could be contributed to no less than six skills. Time after time, the "Glads" blocked more shots, grabbed more rebounds, out jumped, and out dribbled our opponents with hustle and spirit like no Gladstone basketball team ever before.

Coach: Colburn

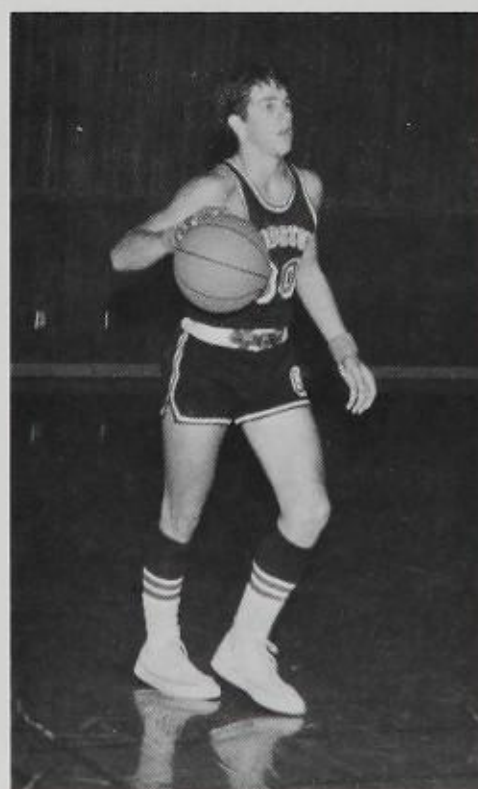

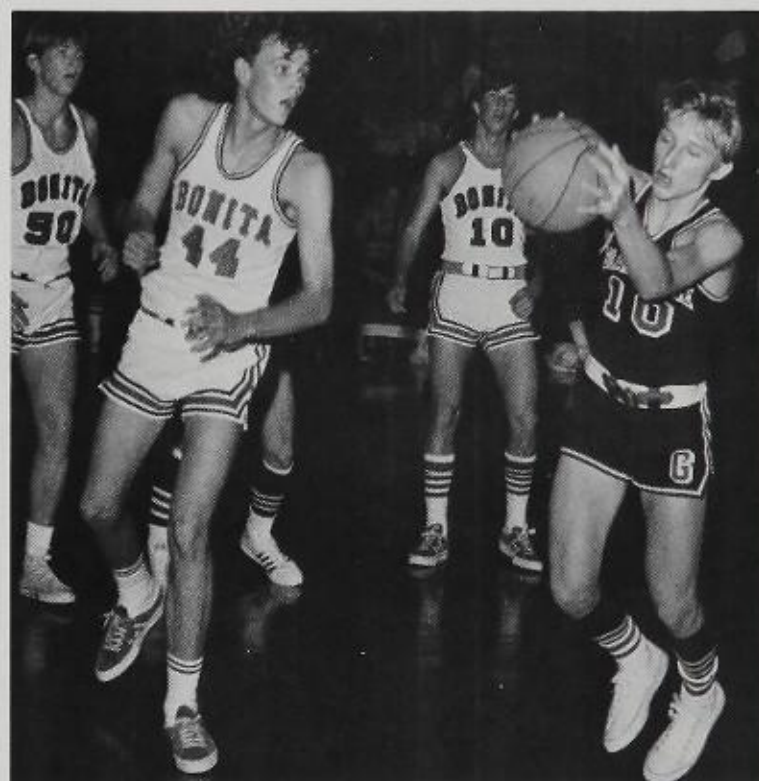

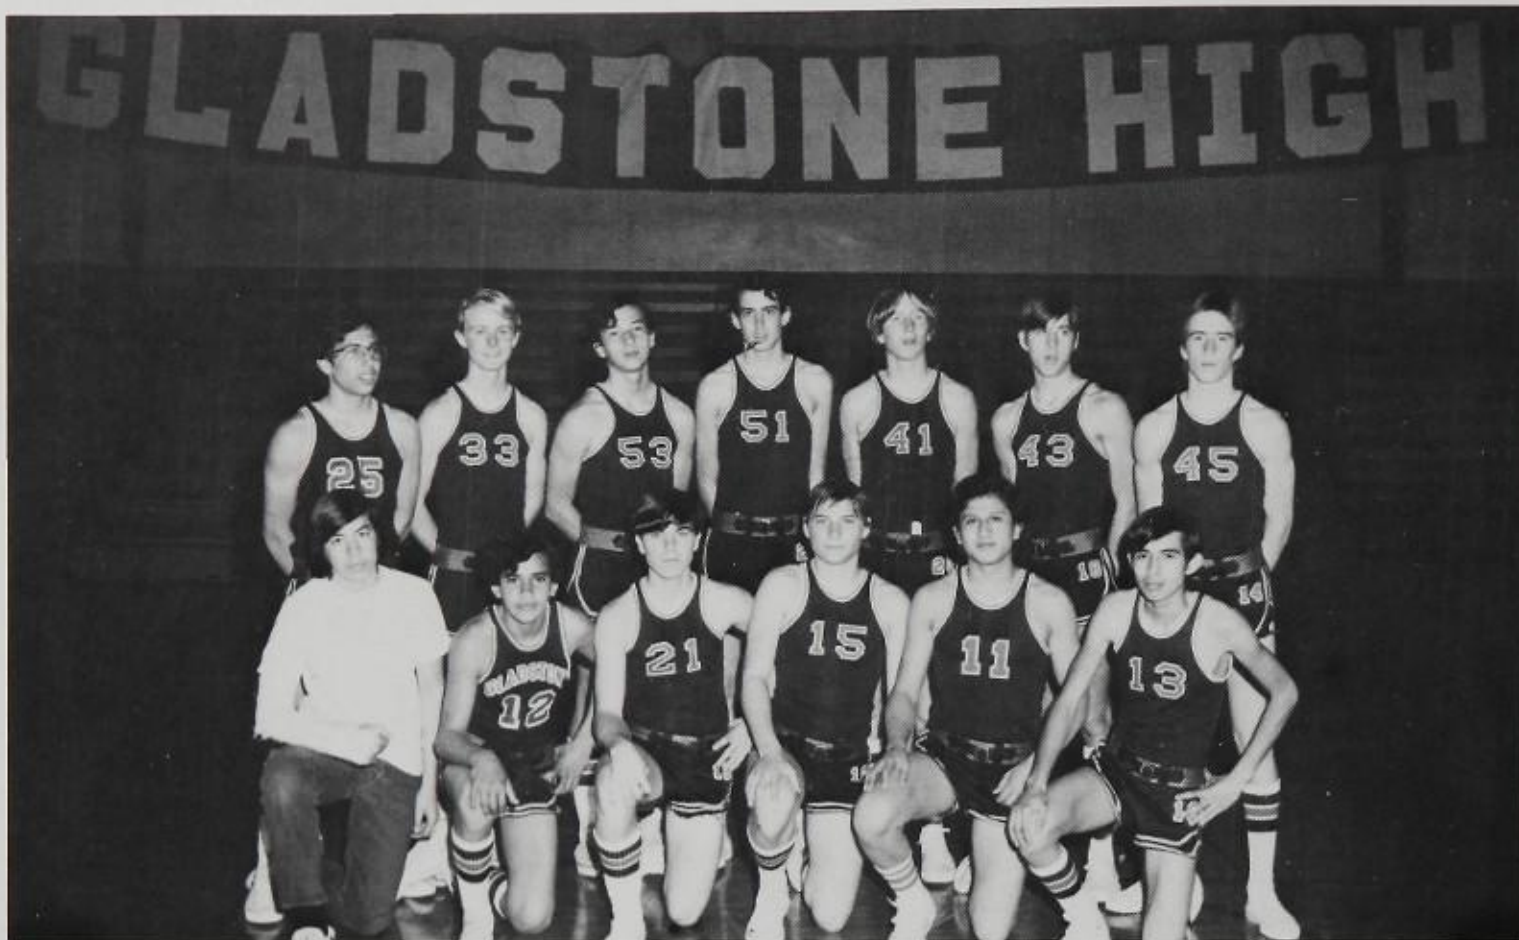

As is shown in the success of the Varsity Basketball team, the J.V. team is a tremendous source of new Varsity players. First year J.V. coach Jerry Colburn has led his Gladiators to the undisputed holding of 1st place in Hacienda League. If the "Glads" retain the lead in the Hacienda, this will be the third consecutive J.V. league title for Gladstone.

Colburn's fighting J.V.'s are led by the scoring and rebounding of Herbie Younker, Dave Fritz, Tim Pike, and Gene Esslin. Continued success is assured for the J.V. Basketball Team.

Serious thought and enthusiasm make up for the lack of experience in the 1973 Baseball squad.

The 1973 Gladiator baseball team is fantastically talented though many players are inexperienced at the Varsity level! Coach Stu Reeder will be ably assisted by coaches Mike Ocon and Wes Valentine. Reeder and his assistants are blessed with one of the top pitching staffs in the valley. Through the 1st five games, not one earned run was allowed while the "Glads" posted a 4-1 record. Leading the moundmen will be an all CIF pitching selection from last year, Jack Clark. The offensive attack will be spearheaded by Eric Mustad, Rick McDonald, Dave Herring and standout catcher Worth Valentine. Though the inexperience is sometimes evident, the Gladiators are favored to take the Hacienda League Crown for the second straight year.

G.A.A. was not only very active in sports this year, they also had many other activities to round out the year.

Starting off with a very successful car wash, the girls really got into the swing of things. Next was the poster-stationery sale. Have you ever seen a mini pen?? Well, everyone on campus saw one when G.A.A. started selling them.

The biggest event of the year was the Fourth Annual Donkey Basketball Game. Parents of G.A.A. members rode against their daughters. The Varsity Cheerleaders from Azusa High came and played against our own Varsity Squad for a very exciting quarter. To finish off the game, members of the Azusa High Linebackers Club rode against G.A.A.

To help the Easter Bunny G.A.A. sold chocolate Easter Eggs. Then with unending spirit the girls finished off a very successful and fulfilling year with another car wash.

Finally at the end.

SPECIAL COMMITTEES

Accreditation Committee: Every four to five years our school goes through an accreditation. This accreditation process decides whether or not our school is providing the education necessary to prepare the student for college.

The student accreditation committee's purpose is to take a survey among the students concerning their feelings and attitudes toward the school. After the survey is completed a committee of six members from various institutions throughout the state visits the school and evaluates the student survey. From the evaluation of this survey and the surveys of several other faculty and classified staff committees it is decided if the school is accredited.

The committee members spend much of their own time auditioning bands and Class A assembly programs. Events for single lunch schedules are also organized by the committee. The committee consists of members who have volunteered or who have been individually chosen by the commissioner.

Homecoming is always one of the big events at Gladstone High. An entire week of "Spirit Activities" were planned. These included contests of pie eating and pumpkin carving. A special contest for the funniest looking Queen, among the candidates, won Gloria Pedroza a certificate for beauty cosmetics.

The highlight of all activities however was the selection of a Queen and Court to reign during the football game and later at

the dance. From eighteen girls five were chosen as finalists with the Queen to be announced as part of the half-time ceremonies.

Tension mounted and nerves shattered as each girl was escorted to the platform by her father, where last year's Queen, Marisela Marquez, waited to crown Olga Ochoa, Queen for this year's Homecoming.

Head table

This year's Speech Banquet was a complete success. The eleven speakers faced a capacity crowd with all the poise and self assurance they could muster and proved this Banquet to be the best Gladstone has ever witnessed. The two veteran speakers lent an air of confidence and tradition while the newer speakers gained the experience which would pave the way for the bigger and better banquets of the future.

A TIME FOR BELIEVING

Throughout the Christmas Holidays, special activities were planned. The "Head Start" program has always been our most successful activity of the year and this year was no exception. The children thoroughly enjoyed themselves as they watched and listened to the show which was created for them.

The Christmas Dance, sponsored by the pep squad was a memorable success.

The gym was beautifully decorated in a Christmas Theme.

The Christmas Concert was another one of the memorable events that was planned. The Band and Choir blended together beautifully to create an evening of delightful music. It was truly a night to remember.

CHRISTMAS IS . . .

Believing in the magic and joy of little children. In sharing with others some of the good things this world still has to offer; kindness and caring.

Believing also in the beauty of music; the blending of voices and instruments in a program that is always enjoyed.

The students who helped in the program had just as much fun as the children.

We remember with pride our participation in the "Head Start Party" and the Christmas Concert!"

Aides

We gratefully acknowledge all the "helpers" we have on our Gladstone staff.

We remember how nice our campus looks in the morning, all fresh and clean.

We think of the pride all these people must have in doing a job well.

We know that for some it must seem a thankless task; to clean, prune, cook, pick up trash, scrub wall, sweep, repair, and then do it over again the next day.

But most of us do appreciate our "helpers" and know we owe them all, from custodians, secretaries, clerks to aides a great big "THANK YOU" for a job very well done.

EDITORS' FAREWELL

As the year 1972-73 comes to an end so does the production of the Arena '73. With lots of cooperation from every member of our large staff, what we set out to do last fall has been accomplished.

There was always the tremendous task of checking layouts, proofreading copies, scheduling pictures and organizing sections.

Now we can sit back and "REFLECT", remembering all the fun of working together and the anxious hours spent.

It's time again to thank all those who helped us. To Barr Studios and Richy Avalos a big THANK YOU for an unknown number of pictures taken and developed. A grateful thanks to Mr. Thompson who assisted Roger Harbert, Adrian Gomez, Ernie Brenner and Michael Ponce in the cover design and to Terry Kessler for her poetry.

Thanks to Principal Mr. Mann and the GHS Faculty for cooperating with us. Without the cooperation of the entire staff and ASB it would be impossible to have a yearbook.

Our deepest gratitude to Mrs. Alice Williams, our "slave driving advisor" for giving her advice, support and help.

And now as we complete our last shipment of material for the publisher we realize our high school years are ending. We are happy to have had the privilege of serving as editors of this year's ARENA. We will cherish our "REFLECTIONS" in the years to come as we hope all of you will.
